CUSTOM DESIGN:

Creative Case Study

When VENDR approached us to design an employee gift to celebrate their series B funding round – which made them a unicorn in the tech space – we could barely wait to bring their vision to life!

Get inspired by VENDR's unicorn gift and just remember that no theme is out of reach!

Add a theme specific product like these rainbow gummies!

Add a custom Spotify playlist to pair perfectly with a branded speaker!

Have extra swag at your office?! Send it our way and we'll include it in your gift!

Add seasonally specific products like this ice cream mix that was perfect for a summer celebration!

Add your logo to keepsake products!

Need packaging inspiration? Our designers will create a custom sleeve that's perfect for your brand!

FUN TECH ADD-ONS FOR A PERSONALIZED TOUCH!

Add a personal touch and interactive experience for your recipients! A QR code to take your recipient to a personalized video, dance-party worthy custom playlists, or a fun event hashtag are just a few fun ideas!

Create a custom Spotify playlist that can be shared for years to come!

Include a custom hashtag to engage your recipients in an interactive way!
#BESTGIFTEVER

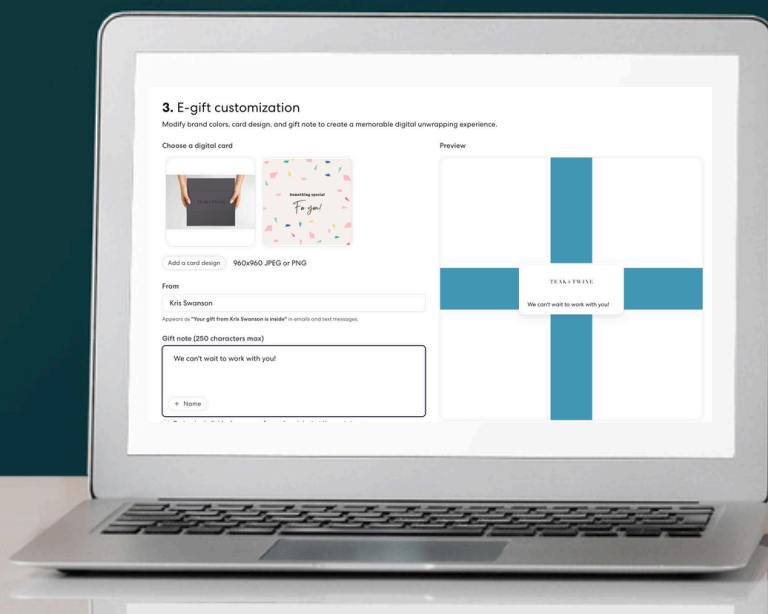

Link to websites, personalized videos, tutorials, or your awesome Spotify playlist with a QR code!

**Tech add-ons are FREE to include on a card or sleeve!*
